

**Parasitology and Tropical Medicine SIG Master Class**  
**Australian Society for Microbiology & Australian College of  
Tropical Medicine & Hygiene**

Melbourne 14<sup>th</sup>/15<sup>th</sup> August 2010

Dear Madam/Sir

ASM & ACTMH are holding their Annual National Parasitology and Tropical Medicine SIG workshop (Master Class) in Melbourne on 14<sup>th</sup>/15<sup>th</sup> August 2010.

The theme of the conference is Parasitology & Tropical Medicine. We have already confirmed some very well known international and national speakers who will attract doctors and scientists from all over Australia. The workshop will include both routine lab parasitology as well as molecular parasitology.

The workshop committee is requesting trade support to bring speakers to this meeting. There are 3 levels of sponsorship: Gold (\$4000.00), Silver (\$2500.00) and Bronze (\$1000.00). A contribution of at least \$1000.00 is requested to support the attendance of one speaker. Alternately you might want to contribute other workshop material or sponsor the conference dinner (in a restaurant in Docklands). We offer dinner tickets to Silver and Gold sponsors.

The company will be acknowledged and listed as supporting the conference in the following material:

- On the workshop web site
- In the workshop program
- Any other material you might wish to add to workshop satchel/bag

We anticipate a minimum attendance of 150 delegates on day 1 and 250 delegates on day 2. Participants will be a mix of clinicians & trainees (microbiologist & infectious diseases & haematologists) and scientists (microbiology, molecular biology and haematology)

Thank you in advance, for your support

Yours truly,  
*Dr Harsha Sheorey*

Chair, Parasitology and Tropical Medicine SIG workshop

*Dr Norbert Ryan*  
Co-Chair, Parasitology and Tropical Medicine SIG workshop
